NOTICE IS HEREBY GIVEN that the Redevelopment Agency of the City of San Diego (the "Agency") requests qualified companies to submit proposals to assist in the identification and resolution of impediments to the transfer of a portion of the former Naval Training Center (NTC) to the City of San Diego as a result of existing environmental contamination. The parcels in question are known as the Boat Channel.

The Boat Channel is a small body of water, approximately 54 acres, located adjacent to San Diego Bay dividing the NTC property. The Boat Channel is surrounded by NTC on the west and southeast, the Marine Corps Recruit Depot (MCRD) on the northeast and the San Diego International Airport on the east.

Submittal deadline: October 29, 2003, 5:00 p.m.

It is the policy of the City of San Diego to encourage equal opportunity in its professional services contracts. Toward this end, proposals from small businesses, disabled owned businesses, women owned businesses, firms owned by African-Americans, American Indians, Asian-Americans, Filipinos and Latinos, and local firms are strongly encouraged. Prime consultants are encouraged to subconsult or joint venture with these firms. The City endeavors to do business with firms sharing the City's commitment to equal opportunity and will not do business with any firm that discriminates on the basis of race, religion, color, ancestry, age, gender, disability, medical condition or place of birth.
